

# Cadland Primary School Autumn Term 2

## Year 1 News!

In Theme we are stepping back 350 years to find out all about The Great Fire of London!

During our history focus we will learn about where the fire started, why it spread so quickly, how they tried to put it out and who Samuel Pepys was.

In Art, the children will be exploring colour and texture using paper, fabrics and wool to create a fire scene.

This half term our theme is

### 'FIRE! FIRE'

In Writing, the children will create a non-fiction page to retell the events of the Great Fire of London.

This term's music education will be based on learning a variety of songs including 'London's burning'.

### Year 1 useful information!

Your child needs their PE kit in school EVERY DAY. We are struggling with providing spare PE kit (especially plimsolls) for a large number of children without their PE kit in school. If your child participates in an after-school sports club, please ensure that they bring their PE kit back into school the next day.

Please ensure that your child brings their book bag into school every day. This helps the children to be organised and bring home letters, RWI sound sheets and books.

**Homework** - please support your child to complete their Sumdog and reading homework each week. Children who are well supported at home, especially with reading, will make faster progress and be more successful in school.

#### **The Christmas Play!**

This Christmas, the whole of Key Stage 1 will come together and create a Christmas show!

A lot of time and effort will go into learning songs and dances. We would appreciate your support for costumes and will send home a letter if we need help with providing anything.

The Christmas show is something we take great pride in and we hope to put on another fantastic one this year!

#### **Date for your diary**

The Christmas Show will be performed to parents on 13<sup>th</sup> and 14<sup>th</sup> December.

You will receive a letter with more information nearer the time.

Striving together to be super STAR learners
